IV. Statement of Claim

State here, as briefly as possible, the facts of your case. Describe how each defendant is personally involved. Include also, the names of other persons involved, dates and places. Do not give any legal arguments or cite any cases or statutes. If you intend to allege a number of related claims, number and set forth each claim in a separate paragraph. Use as much space as you need. Attach extra sheets if necessary.

On 7-24-12 I filed a complaint with this court against the Kent County Jail Administration for failure to provide me with a Jewish Kosher Diet.

On 7-27-12 the Grand Rapids Press printed an article about my legal complaint and notified the Kent County Jail Administrator Jon Hess of my legal actions against the jail.

On 8-7-12 I'd sought medical treatment for health issues related to excessive weight loss from Corizon employee Dr. Sova (D.O.). Dr. Sova ordered me a high-protein no meat diet to address my weight loss and deteriorating health condition. When I had not received the prescribed diet that Dr. Sova ordered I spoke with him on 8-10-12 and he said that the Kent County Jail Administration would not allow me to have the diet and blocked his order for the diet. I believe that Corizon Medical Services has conspired with the Kent County Jail Administration to deprive me of medical treatment in retaliation for filing a legal complaint against the administration. I also believe that Corizon Medical Services was complacent in not challenging the Kent County Jail Administration when they interfered with my medical treatment ordered by Dr. Sova thus depriving me of medical treatment protected under the law. I believe their actions to be malicious and retaliatory in nature as well as negligent and an outright violation of my right to receive medical treatment protected by prior presidential litigation. *(next page)

V. **Relief**

State briefly and precisely what you want the court to do for you.

I seek punitive action against Kent County Jail Administration and Corizon Medical Services as well as damages for not treating my health needs.

*It should be noted that this complaint implies no culpability on the part of Dr. Sava.
